

Pupils' progression

Reflect on your progress and tell us your impression of this SA

Work
sheet

I am able to ...

- communicate and express myself correctly
- describe and explain an artefact
- ask and respond to questions or issues
- listen to and respect the opinions of other classmates
- recognise and interpret in a simple way information about the pandemic, health or the environment in a presentation, debate, infographic...
- organise and write a concept map about health information
- select and use strategies, as well as my knowledge, to acquire information about the pandemic, health and the environment
- select and use strategies, as well as my knowledge, to express information and ideas about the pandemic, health and the environment
- express an opinion
- explain an idea
- transfer knowledge to other situations
- compare and contrast similarities and differences between languages
- accept and respect linguistic and cultural diversity, showing an interest in understanding basic cultural and linguistic elements
- enjoy and have fun learning
- compare and contrast information
- select and use, with help, basic strategies for understanding and appreciating different languages and their cultures

When you finish, count the number of answers for each colour and pay special attention to the answers coloured in **red** because it means you need help in those skills.

Total
